Saint Charles Borromeo Seminary's fundamental mission is the formation of Catholic priests for the Archdiocese of Philadelphia and other dioceses and religious communities throughout the world for pastoral service in the priesthood of Jesus Christ. Saint Charles also serves the community by forming men as permanent deacons through the Diaconate program, and provides academic and pastoral programs for religious and laity through the School of Theological Studies. In Pastores Dabo Vobis, Pope John Paul II identified the principal foundations for priestly formation as human, spiritual, intellectual and pastoral. These four pillars form the comprehensive structure of formation at St. Charles that guides the development of men toward priesthood. The goal is an atmosphere that fosters a thorough process of formation so that those called by God have a strong priestly identity, a desire to serve, and a love for God's people.
